The next meeting will be held **Wednesday, August 3<sup>rd</sup> at 6:30 pm**. *Your Role as Elder* workbook is being used as a guide for the lesson. The workbook will be sent in a separate email. To prepare, August's lesson will be "Gifts Given....(by the Holy Spirit): Making personal growth choices on our spiritual journey."

**God has given each of us the ability to do certain things well. So if God has given you the ability to prophesy, speak out when you have faith that God is speaking through you. If your gift is that of serving others, serve them well. If you are a teacher, do a good job teaching. If your gift is to encourage others, do it! If you have money, share it generously. If God has given you leadership ability, take the responsibility seriously. And if you have the gift of showing kindness to others, do it gladly. Romans 12:6-8 (NLT)**

It is so important for Elder's to find time to pray, study, learn and reflect together. I hope to see you in August!

## HAPPY FOURTH OF JULY!

**Good Times at VBS!** A big thanks to Debbie Clark for organizing this year's VBS and to the many CCC women who helped put this event together and make it the successful event it was! The little detectives investigated their case and learned how to serve God and care for others. More pictures can be viewed on CCC's Facebook page.

**We are updating the church directory.** If you would like to be added or update your contact information (phone, address, email), please send your info to [cadizsteeple@gmail.com](mailto:cadizsteeple@gmail.com) or call the church office. If you do not have a photo or would like a new one, please contact membership. We will have a master pictorial directory in the back of the church but due to the frequency of changes necessary and cost, we will not be distributing pictorial directories to members. We will, however, also have an updated list of members and their contact information in the form of an excel spreadsheet that can be sent to you via email and saved to your computer or printed out or you can request a hard copy of this document. We will let you know once both the master pictorial directory and the membership document list have been fully updated.

**CCC has a new website.** It is still under construction at this time so changes will continue to be made. The new website can be viewed at [cadizchristianchurch.com](http://cadizchristianchurch.com).

### DISCIPLES'S MEN'S FELLOWSHIP: June 9, 2022

**From FCC-Hopkinsville:** "Last night about 50 men from 5 churches gathered at Randy Arnold's farm on Everett Lane for fellowship and to learn about modern farming on a large scale. It was an absolute success. Randy and team discussed everything from amazing new seeds to huge equipment that almost operates by its self. For the non-farmers in the group it was mind boggling to hear about the new methods. We shared a great meal provided by Billy Campbell of Knockum Hill BBQ." **Thank you to Chappell Wilson for organizing on the CCC end.**

On July 21st the DMF will tour the Birdcage and have lunch with the troops. This event required early sign-up. To see if there are any slots open, call FCC-Hopkinsville at 270. 886.0197 or [maryb@fchoptown.org](mailto:maryb@fchoptown.org).

## July's Eco-tip: Using Fireworks this July? Be sure to:

- Obey local laws.
- Use far from any dry leaves or foliage and dead plants or grass.
- Keep water (a bucket or hose) handy.
- Use with care near children and people with asthma or respiratory disease.
- Remove and dispose of any visible debris or litter from shell materials.
- Keep all pets inside and do not use near areas where there are fledgling birds or other wildlife.
- Be sure to submerge any unused, misfired, or 'dud' fireworks in water and soak them before disposing. Wrap them in plastic so they do not dry out.
- Follow local disposal ordinances.

## Blind Spots

We're watering our lawn as it gets hotter. It's most efficient to water morning or the evening when it's cooled down. I also "spot" water the dry spots in between. Sometimes I find new spots, except they're not new. They didn't dry up overnight. They're spots I didn't see. I call them blind spots. We have spiritual blind spots.

We're blind to them because we've created them. Our judgments, biases, agendas, and life influences create our spiritual dry spots. They move from the outside in and dry us up from the inside out. We need to find them and get rid of them as part of our walk with Christ. Getting rid of them isn't easy. It takes rigorous honesty and continual spot watering. Our blind spots might need more water than we're willing to give by ourselves or that we can even see. This isn't something we should do alone. We need to find spiritual mentors and guides who can show us our blind spots. We mustn't look for a mentor or guide who is an echo chamber. We need a mentor or guide who is honest and isn't judgmental. Perhaps they have a different theology or are from a different place. They could be pastors or therapists or someone we trust with our innermost secrets. Someone who won't judge us.

Take the time to find the right guide. We must find someone who isn't afraid to let us know about our blind spots. Like those blind spots on the lawn, our spiritual blind spots didn't get there overnight. They won't go away with just one watering. They require a lifetime commitment to maintaining a healthy spiritual heart. Keeping our blind spots watered isn't a fun thing to do. It reveals our shortcomings and weaknesses but it's part of being a Christ-follower. Then he said to them all, "If any wish to come after me, let them deny themselves and take up their cross daily and follow me. Luke 9.23

With Love, Kevin
